

**BASIC COURSE
FOR CARE**

Goldstück
ACADEMY FOR CARE

Learn
to support
people.

Basic course for care

Elderly people have seen a lot and have a tremendous experience of life. But some of them need help in everyday life and support in housekeeping. This requires high reliability.

The “Basic course for care” lays the foundation for respectful interaction with elderly people. They are thankful for an adequate extent of support.

Course profile

The “Basic course for care” provides profound knowledge for the help and support of elderly people. The course offers an introduction into health care and is completed with the certificate “Basic course for care”.

After achieving the certificate the participants have the following options:

- Gaining occupational experience in an internship or fixed employment (home care, nursing home or private employment).
- Process own orders.
- The participants can pass the “Nursing assistant course” in a shortened version.

Target group

The “Basic course for care” aims at

- lateral entrants
- persons returning to work
- caring relative

Requirements

- Minimum age: 18 years
