Oldies are Goldies

We are convinced that people are happiest in their own homes. That's why we do everything we can to enable this for as long as possible.

Goldstück at home stands for individual, customized solutions in support and care. Our services are adjusted to individual customer relationships and are as individual as our customers.

Trust is the basis

We cultivate an honest, partnership-based cooperation with our customers. Our long experience and international perspective underline our independence and create security. Cooperation with various partners creates credibility and enables us to adopt our customer's perspective.

Trust requires performance

We are available to our customers as a reliable partner for all support questions. We concentrate on our core competence and combine proven with innovative solutions. We focus in particular on sustainable values and Swiss quality. We always provide our services as a team.

Trust needs time

We focus on the sustainable quality of life of our customers. We listen and want to understand the concerns and wishes of our gold pieces exactly. Continuity and farsightedness are decisive for us in shaping customer relationships.
